### Gifts selected with care.

We select products that last, and that people love to use. A broad collection of quality products and premium brands, with many customisation options. A more sustainable collection, selected with care for the End of Year season, and perfectly suited to put the end customers' brand in the spotlight. Brands that enable you to communicate your message, as the brand values speak for themselves. Also, have a look at our more sustainable bestsellers specially selected to help you communicate your sustainability goals.

### Let our brands help to make a lasting impression.

Whenever you are looking for the perfect gift, make sure to include our extended brand portfolio in your offer. Brands are known to bring a sense of trust, emotional value, and a consistently positive experience. They create a strong connection between two parties. This is why we offer an extended brand portfolio of well-known brands. Brands you can rely on, brands that you can trust.

# Americano<sup>®</sup>, the perfect replacement for disposable cups.

Single-Use Plastic (SUP) items often find their way into our oceans instead of reusable alternatives. The European Union is taking a lead in the global fight against marine litter and plastic pollution. In this context, the Americano<sup>®</sup> takes a big role in replacing disposable cups with reusable ones. The Americano<sup>®</sup> Collection offers a mix and match approach for every campaign, colour scheme and budget. All crafted in Europe and fully customisable to promote your brand, while staying true to your sustainable values.

- Made in Europe
- Recycled and more sustainable choices
- Mix and match colours to create your ideal mug
- Available sizes: 250 ml, 300 ml, 350 ml
- Diverse lid options to suit your preferences
- Microwave and dishwasher safe

BAAC

# Our GRS certified collection.

GRS certified products are made from verified recycled materials, with a traceable supply chain from the original source. To be GRS certified, a product must contain at least 50% recycled materials. Together with our printing facility in Poland, we have obtained the Global Recycled Standard certification for a multitude of our printed products, including clothing and bags.

#### **Together for a sustainable future**

Add value to your business and customers by consciously choosing recycled products, you take responsibility and inspire others to do the same. With each product, you communicate what your brand is all about.
